### **UMZIMVUBU LOCAL MUNICIPALITY NOW ACCEPTS EMAILED APPLICATIONS FOR JOB SEEKERS**

KwaBhaca – Umzimvubu Local Municipality (ULM) now accepts emailed applications for job seekers. The aim of the ‘recruitment email’ is to make it more convenient for applicants to apply for vacant positions at the Municipality.

The paperless system will allow prospect employees to apply for a job without having to make copies of their Curriculum Vitae (CV). Applicants are further requested not to attach their qualifications on the recruitment email, as this will be a request made to shortlisted candidates.

“The recruitment email follows the sudden disruption of Post-Office services in KwaBhaca and EmaXesibeni. In the spirit of leaving no one behind, Umzimvubu will continue to introduce various systems to mitigate unemployment. By this, we intend on introducing a fully-fledged e-recruitment portal whereby candidates can track their application status on the system. said Umzimvubu Mayor, Cllr Zukiswa Ndevu.

The Municipality’s mission is to plan and deliver quality and sustainable services to improve the socio-economic status within the broader community of Umzimvubu. The Municipality calls upon all applicants to utilize the recruitment email that is as follows: [recruitment@umzimvubu.gov.za](mailto:recruitment@umzimvubu.gov.za) for any employment application addressed to the Municipality.
